

Product Data Sheet

Black Diamond Leather Cleaner

Product Description

Black Diamond Leather Cleaner is formulated to remove soiling from leather surfaces.

Directions For Use

Always test an inconspicuous area for colour fastness first. Apply with a fine trigger spray, allow a few minutes for the cleaner to penetrate before wiping with a clean, frequently rinsed, damp cloth. When dry, gently apply Black Diamond Leather Care/Conditioner with a soft, clean, dry cloth.

Pack Size

100389 500mL
