

Product Data Sheet

Black Diamond Screen Wash Concentrate

Product Description

Concentrated, for total windscreen care. Safe & effective removal of dirt, grease, traffic film, insects and other environmental pollutants. Prevents the water in your wash bottle from freezing down to temperatures as low as minus 12°C. Dilute according to season. Does not contain silicone.

Directions for Use

For winter use dilute one part Black Diamond Screen Wash Concentrate with four parts water and add to the windscreen wash bottle.
For summer use dilute one part Black Diamond Screen Wash Concentrate with five to ten parts of water.

CAUTION

Avoid spilling undiluted Screen Wash Concentrate on to paintwork. Remove any spillage on paintwork immediately with copious quantities of water.
